Nairobi, Kenya | +254 797 751 084 | [felixtyler530@gmail.com](mailto:felixtyler530@gmail.com)

## PROFESSIONAL SUMMARY

Dedicated and ambitious Software Engineer from Zetech University. Demonstrates a strong foundation in software development, networking, and artificial intelligence. Skilled in designing, developing and testing software solutions with a passion for using technology to solve real-world problems. Recognized for analytical thinking, adaptability and a proactive learning attitude. Eager to contribute to a dynamic, tech-driven environment and grow as a software professional.

## KEY SKILLS

- Programming Languages: Java, Python, C++
- Web Development: HTML, CSS, JavaScript
- Database Management: MySQL
- Networking Tools, Cybersecurity & General Suites: Power BI, Microsoft Word, Excel, Access
- Core Competencies: Problem-solving, Debugging, Team Collaboration, Leadership, Time Management, Adaptability and Communication

## EDUCATION

- Zetech University - Bachelor of Science in Software Engineering

Expected Graduation: November 2025 | Nairobi, Kenya

- Kericho High School - Kenya Certificate of Secondary Education (KCSE)

Graduated: 2021 | Kericho, Kenya.

- AHP Workshop Primary School - Kenya Certificate of Primary Education (KCPE)

Graduated: 2017 | Kericho, Kenya.

## PROJECTS, ACHIEVEMENTS & EXPERIENCE

- Attachment at Kenya School of Agriculture (KSA)

Developed and maintained student database, Secured the systems from cyber security threats and maintained the systems in case of failure or problems.

- E-Voting System for Zetech University:

Designed and developed a secure voting system using PHP, JavaScript, and MySQL.

Implemented real-time candidate display, user authentication, and database-driven results management.

- Zetech University Voting Process Support:

Participated in facilitating the student elections by authenticating voters and ensuring smooth use of the system during the voting process. Collaborated with staff and ICT teams to maintain security and accuracy throughout the event.

- Hackathon Participant:

Attended the Zetech Night Hackathon, contributing to innovative software solutions in a 24-hour coding challenge.
